Summary

I'm a motivated fresher with a strong background in Machine Learning and Programming . Eager to apply my skills to develop cutting-edge solutions. Committed to learning and making a meaningful impact with integrity.

Education

- B-Tech Artificial Intelligence and Data Science CGPA: 9.26*
Kongu Engineering College, Perundurai, Erode, Tamil Nadu 2023-2027*
- HSC(2023) - 94% Sakthi Matric Higher Secondary School, Kaniyamor, Kallakurichi.
- SSLC(2021)- 91% A.K.T CBSE School, Kallakurichi

Projects

- Earth Quake Prediction Using Machine Learning:
ML models like Random Forest Classifier, Decision Tree Classifier, Linear and Logistic Regression is trained and with the help of Hyper parameter tuning its accuracy is increased.

Inplant Training

I completed Inplant Training on Robotics in Odugaatech Pvt.Ltd. Jul 2024

Achievements

- Winner, 3rd Place in Coding Contest conducted by AI Association in Newell's Competition, Kongu Engineering College.
- Finalist, Ideathon 2024, IEF, Kongu Engineering college, Oct 2024.
- Finalist, Proof Of Concept 2024 , IEF , Kongu Engineering College , Nov 2024.

Languages

- English
- Tamil

Programming Languages

- Python
- Java
- C and C++
- HTML/CSS

Technical Skills

- Machine Learning
- OOPS
- Git

Leadership

Executive member - IEF Kongu Engineering College, Aug 2024 - Present
